REQUEST TO CORRECT
INVENTORSHIP UNDER
37 C.F.R. 1.48(a)(1)

Commissioner for Patents
Box RCE
Washington, DC 20231

Dear Sir:

In accordance with 37 C.F.R. §1.48(a)(1), the undersigned respectfully requests correction of the inventorship for the above-referenced patent application to delete Robert J. Lang as an inventor, and to add Harrison L. Ransom, Jr. as an inventor. A Notice of Allowance for this patent application was mailed March 26, 2003, and a Request for Continued Examination and an Information Disclosure Statement is enclosed. A petition under 37 C.F.R. §1.182 requesting a change in the order of inventorship is also enclosed.

This patent application is a divisional application of U.S. Pat. App. Ser. No. 09/915,184, filed July 24, 2001 by Wolak et al. A copy of the Declaration filed in 09/915,184 was filed October 30, 2001 in 10/016,174 (the "divisional application") with a Statement Deleting Inventors Under 37 CFR §1.63(b)(2). The Statement Deleting Inventors erroneously requested that Harrison Ransom be deleted as an inventor from the divisional application, which erroneously left Robert J. Lang as a named inventor. Hence, the inventive entity for 10/016,174 is set forth in error. Exhibit A is a copy of the

as-filed Application Data Sheet, and Exhibit B is a copy of the cover page filed with the divisional patent application, each naming Tae J. Kim, Harrison L. Ransom, Jr., and Edmund L. Wolak as inventors. Exhibits A and B are provided to support that these errors in inventorship occurred without deceptive intent. The correct inventorship for 10/016,174 is Tae J. Kim, Harrison L. Ransom, Jr., and Edmund L. Wolak.

In accordance with 37 C.F.R. §1.48(a)(2), enclosed is a Statement of Deleted Inventor signed by Robert J. Lang requesting that he be deleted as an inventor of U.S. Pat. App. No. 10/016,174, and that this error of inventorship occurred without deceptive intent on his part. Also enclosed is a statement of Added Inventor signed by Harrison L. Ransom, Jr. requesting that he be added as an inventor of U.S. Pat. App. No. 10/016,174, and that this error of inventorship occurred without deceptive intent on his part.

In accordance with 37 C.F.R. §1.48(a)(3), enclosed are copies of the original Declarations filed in 10/016,174 under 37 C.F.R. § 1.63(d)(1) and a new Statement Deleting Inventors under 37 C.F.R. §1.63 (d)(2), requesting deletion of Jo Major (as in the original Statement Deleting Inventors filed with the divisional patent application on October 30, 2001) and requesting deletion of Robert J. Lang.

In accordance with 37 C.F.R. §1.48(a)(4), the undersigned hereby authorizes the Commissioner to deduct the processing fee set forth in §1.17(i) for a large entity to USPTO Deposit Account No. 50-0891.

In accordance with 37 C.F.R. §1.48(a)(5), a signed Consent of Assignee is enclosed.

Respectfully submitted,

Scott Hewett
